## INVESTING IN YOUR CHAMBER

The work of your Chamber is financed by the investment of the Members who support it. The income for the chamber comes from Membership Investment and non-dues revenue such as our annual fundraisers including: Windfest, States of Luncheons, ie. the City, the County, the Industry & the Economy, Annual Golf Tournament, and the Portland Chamber of Commerce & Visitor Center Directory.

According to a study conducted by the Schapiro Group, 49% of consumers were more likely to think favorably of a local business if it was a member of the local Chamber -- and 80% were more likely to purchase a product or service from a Chamber member. The Portland Chamber has over 400 members, 70% are small businesses with 50 or fewer employees.
