

*Mission: The purpose of the Youth Leadership Gregory-Portland program is to train students in leadership techniques and community awareness. They will become familiar with current issues, community resources, opportunities and other factors influencing the direction of their community's future. Through their participation in the program, the students will be prepared to make a positive impact on the quality of life in the community.*

Dear Youth Leadership Gregory-Portland (YLGP) Class IV:

We would like to invite you to apply to be a Student Mentor for YLGP-Class IV. The selected student mentors will participate in steering committee meetings, assist with the monthly sessions, and also plan and facilitate the Graduation Ceremony. The four student mentors chosen will share the responsibilities in order to balance with their other school commitments. The mentors will be required to sign a participation contract that will detail the roles and responsibilities of their commitment. You will be able to add to your school and employment resumes that you are a Youth Leadership Class III graduate and will be able to add this leadership mentor role as well.

Each student applying for the Mentor position will need to prepare an 8.5 X 11 page describing your experiences in Class IV – what you enjoyed, what we can improve on, how did the program add to your leadership skills and what you will be able to contribute to Leadership Class V. Feel free to be creative with your application, use your leadership skills to design a unique page about you. Remember only four mentors will be chosen out of the class. So it is your time to shine!

We are so proud of all your accomplishments and look forward to reading your application and seeing how you view the program from your perspective.

**Applications are due to the Chamber by March 26<sup>th</sup> by 5 PM.**
